## OFFICE OF LEGISLATIVE COUNSEL

Monday - 1 June 1964

25X1	Ben Mandel, Senate Internal Security Subcommittee staff, called and requested the "main items" which we might have on public Soviet and Chinese Communist differences. FBIS is working on this.

25X1	Arranged with Mr. Samuel Archibald, Staff Director, Government Operations Information Subcommittee, for Agency appearance on the polygraph hearings on Wednesday the 10th and Thursday the 11th of June. Mr. Archibald is also polling the members for their availability on the 12th as well as the 10th and 11th in the event it should be necessary to carry the hearing over an additional morning.  Mr. Archibald advised me informally that the Committee Chairman, Mr. Moss, with reference to the Marquis Childs column concerning the book THE INVISIBLE GOVERNMENT, has requested Mr. Archibald and Mr. Kass, Committee Counsel, to look into the question of pressures to stop publication of the book. Mr. Archibald indicated he would like to talk further with me on the subject.
25X1	Met briefly with Miss Meo in the office of Representative Ogden R. Reid (R., N. Y.) concerning our request of last week to meet with the Congressman on the subject of polygraph hearings. Miss Meo indicated that since there appeared to be no need as such for a briefing prior to the hearings she would be pleased to take it off the schedule.
